NATIONAL CONVENTION SCHOLARSHIP

TAMU SHPE  
2018-19

**TAMU SHPE Former Students Program  
National Convention Scholarship**

Howdy TAMU SHPE Former Students!

Thank you for showing interest in our National Convention Scholarship! As TAMU SHPE continues to grow to a membership of 300+, we are looking for new ways to extend our invitation to attend National Convention. This year SHPE National has changed up convention logistics. In the past, they have provided lodging for the entirety of convention, however this is no longer the case. This additional, and unexpected expense has prevented us from meeting last years sponsored members attendance of 42.

Based on our annual budget and expected sponsorship we will be taking 36 TAMU SHPEsters to Cleveland, Ohio. To continue to provide a career-changing experience to our members, we have created a goal to fundraise the monetary amount of \$400 to cover the airfare expense of one additional member. This selected member will be chosen from our National Convention Scholarship Application that will be available to all fully paid members. To achieve this goal, we are asking you, a TAMU SHPE Former Student, to help the cause.

The SHPE National Convention has impacted numerous of our TAMU SHPEster's careers, but most importantly their life's. From Liz Diaz winning Extreme Engineering with Team Navy in 2014, to 12 members receiving internship offers in 2017, TAMU SHPE has always shown its presence. Also, let's not forget all the memories created along the way from members experiencing their first plane ride, first trip outside of Texas, and all the crazy SHPE Familia bonding to celebrate each other's achievements. By attending SHPE National Convention members are able to realize their full potential and discover how SHPE can help them now and in the future!

This short Scholarship Donation Packet details our goals for the 2018-2019 National Convention in Cleveland, Ohio. I am excited about the possibilities this scholarship has to offer and believe the TAMU SHPE Former Students Program is the prime example of the SHPE National "Better Together" initiative!

## **TAMU SHPE Former Students Program National Convention Scholarship**

### **SHPE National Convention Expenses:**

Transportation cost per participant ..... \$357.60

The recipient of this scholarship will receive invitation to our group rate for Southwest Airlines. This transportation expense will cover the round-trip from Houston, TX to Cleveland, OH. As always, members will be housing each other the night before the flight. Based on the cost of transportation for this member TAMU SHPE has created the following scholarship goal:

#### **How can you help?**

As a TAMU SHPE Former Student there are several avenues through which you can support our Undergraduate Chapter attend National Convention. We invite you to participate in our Professional MentorSHPE Program put on by Emmanuel Valenica. Here you can prepare your mentee on how to approach Extreme Engineering, Academic Workshops, and the National Convention Career Fair. In addition, we will be having a Convention Briefing, where members can learn what companies will be present, how to make the best of convention, and overall advice from members who have participated in the various activities. Lastly, you can help us by making a financial contribution to help one additional member travel to Cleveland, OH. Below is a break down of how you can contribute to our chapter.
